

SCAHAM

What is SCAHAM

SCAHAM is a professional association committed to promoting excellence in the management of patient access services in healthcare delivery.

SCAHAM is an affiliate chapter of NAHAM (National Association of Healthcare Access Management). NAHAM is headquartered in Washington DC, where it serves the national interests of its members and acts as a central clearinghouse and resource center.

The Association provides timely, accessible and meaningful education and interactive networking opportunities in a dynamic environment.

The Association enhances the development of quality leadership and recognizes the intrinsic value, dignity, and importance of all individuals.

Purpose of SCAHAM

- A: To enhance the profession of patient access services management.
- B: To provide educational resources and professional growth opportunities.
- C: To promote local, regional and national relationships for the interchange of ideas and dissemination of material relative to patient access services management
- D. To foster positive relations with allied health care associates.
- E. To provide a mechanism for the accreditation of members and a maintenance program pertinent thereto via the NAHAM Accreditation Program.

What is a Business Partner?

A Business partner is a commercial entity with which another entity has some form of alliance.

Business Partner Members of SCAHAM are individuals working for businesses who service the healthcare industry with a relevance to patient access services. These members may not vote or hold office but may serve as committee members.

Our members are your customers and SCAHAM's Business Partner membership offers numerous opportunities to keep your company's name before the membership.

We accomplish this by listing the names of our Business Partner Members in the annual educational conference program, and on our Web site.

Business Partner Benefits

There are many benefits to becoming a Business Partner of SCAHAM. Some of them include:

1. Recognition on conference brochure
2. Public recognition before, during and after conference session
3. Forum to present to conference attendees all together oral, or w/overhead.
5. Scheduled networking opportunities to meet with attendees
6. Bring and be a part of door prize drawings
7. Signage showcasing their sponsored event at the event and at their exhibit table
8. At conference conclusion each corporate sponsor will have sent to their company a letter recognizing their participation and sponsorship. Letter to be sent to the appropriate individuals of their choice.
9. Identification on SCAHAM website as a business partner of SCAHAM with product information

3

Fall Conference

The fall conference offers our vendors and business partners many opportunities to network with our conference attendees. This is your time to showcase your product to the many Hospital leaders that are represented through SCAHAM.

The fee for the conference includes a table, table skirt, power, internet, and a 30-minute forum to present to the conference attendees. You may also wish to sponsor a meal or event which in return signage will be posted recognizing you for the gesture.

Conclusion

SCAHAM is a professional association committed to promoting excellence in the management of patient access services in healthcare delivery.

The Association enhances the development of quality leadership and recognizes the intrinsic value, dignity, and importance of all individuals.

Business Partner Members of SCAHAM are individuals working for businesses who service the healthcare industry with a relevance to patient access services. These members may not vote or hold office but may serve as committee members.

Our members are your customers and SCAHAM's Business Partner membership offers numerous opportunities to keep your company's name before the membership.
